DETAILED ACTION

Reason for allowance

1. Claims 1-10 are allowed over the prior art.
2. The following is an examiner's statement of reasons for allowance: Prior art fails to teach the combination features the electrical connector having the fitting portion being disposed between the contact portions of the mating connector when the electrical connector is connected to the mating connector with one side of the fitting portion being exposed and the second contact portion being disposed such that at least a part of the second contact portion is exposed at a surface of the fitting portion on the other side of the fitting portion, and with the rest of the claim limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
